                    <h3><i class="fa-solid fa-globe me-3" style="color: magenta;"></i>My Journey</h3>
                    <p class="mt-4 lh-lg" style="text-align: justify;">I'm Dharun Nagavel from Theni,currently pursuing my Bachelor's degree in Computer Science and Engineering from Kamaraj College of Engineering and Technology. Over the past one years, I've gained practical experience in fullstack development, contributing to a variety of web-based projects</p>
                    <p class="lh-lg" style="text-align: justify;">I am deeply passionate about continuous learning and believe in sharing knowledge to uplift others in the tech community. Whether it's writing code or solving problems in real-world projects, I find joy in every step of the process. I aspire to grow further in the field of full stack development, constantly seeking new challenges and opportunities to make a positive impact.</p>
                    <p class="lh-lg" style="text-align: justify;">With a strong foundation in both frontend and backend technologies, I enjoy turning ideas into functional, user-centric applications. I'm particularly interested in building scalable systems, optimizing performance, and staying up to date with the latest trends in web development.</p>
                </div>
